CBP Updates Electronic Visa Update System (EVUS) Frequently Asked Questions

CBP Updates Electronic Visa Update System (EVUS) Frequently Asked Questions ^[1]

Submitted by Editor on Oct 20th 2016

EVUS is the online system used by nationals of China holding a 10-year B1/B2, B1 or B2 (visitor) visa periodically to update basic biographic information to facilitate their travel to the United States. In addition to a valid visa, such travelers will be required to complete an EVUS enrollment to be admitted into the United States.
